Fee Policy 2010

New Fee Policy was accepted in General Assembly in Martinique. The Policy is attached to this bulletin, and it can also be found in FISAF Extranet.

Instructor Certificates

The price of one certificate was accepted in the Fee Policy to be 20,- EUR/piece.

We are now entering into a new system with certificates which give a possibility for instructors to promote themselves in FISAF web. It is then up to each instructor how they like to use it; photo gallery, short curriculum etc. If an instructor is not interested in promo site, the instructors will be published in any case in the Instructor database in extranet.

In the beginning of 2010 FISAF Main Office will send a list of instructors to the responsible person of each country to check and update the active and non-active ones. After countries have done their check, we will have only active instructors in FISAF Instructors database (the non-actives will although stay in storage). Educational Committee will define the requirements on how instructors stay active in promo site beginning of 2011.

Further information is available in attachment.

Technical Regulations

New technical regulations – FISAF Manuals will come into force on 1st March 2010.

There will be changes especially in the competition structure regarding Hip Hop competitions and as well in Hip Hop age categories. These changes will be announced in the middle of January 2010.
