Towards higher standards and quality in Health & Fitness

EHFA 3rd European Fitness Forum in Madrid 10 & 11 May 2010

This year FISAF was represented in Madrid by Education Committee Chair **Jana Havrdova** from Czech Republic and Education Committee Member **Tatiana Polukhina** from Russia, who both had successful meetings with leading EHFA representatives, and met many of their European colleagues from the field of fitness and health.

Future cooperation between FISAF International and EHFA is moving forward, as the negotiations continue successfully.
