Letter from FISAF France

(also attached)

First, we would like to apologize to athletes of the latest World Fitness Championships for the delay and the mishap regarding the prize money.

We confirm our will to solve a contentious situation with the organizer Naniki and Mr Fonclaud.

The prize money has to be distributed evenly between the winners.

We ask the athletes who didn't give us their bank data to send them to veronique@fnfda.fr and we will make a bank transfer immediately.

Wishing you a good competition in Eindhoven

Kind regards

Alain BARASZ
President of FISAF France
