# Sports Club for Health seminar on Instructor Education Systems

21 October, 2010

Hotel Koningshof, Eindhoven, Netherlands

## Organizers:

Finnish Sport for All Association in association  
with  
Federation of International Sports, Aerobics and  
Fitness Inc.

## Description of the SCforH program

SCforH program aims to create evidence-based guidelines for European sports clubs to develop Health Enhancing Physical Activity (HEPA) programs within their activities. SCforH program also elaborate networking in the light of SCforH concept. SCforH program is funded by the EU Sport Unit and it consists of seven work packages.

## The aims of the Workshop

This workshop concentrates on work package 3.2 Instructor Education System for SCforH.

1. To review current instructor systems around physical activity and sport in various European countries.
2. To create a frame for and outline a model of instructor education system to SCforH programs.
