e-Learning Fitness Project

FISAF is a partner in **e-Learning Fitness Project** granted by the Education, Audiovisual and Culture Executive Agency of (EACEA) the European Union. Fundamental aims:

1. to elaborate further the evidence-based guidelines for sports clubs all over Europe to start developing health enhancing physical activity (HEPA) programs as a part of their sporting activities and
2. to evolve networking between various actors in the area of HEPA and in the light of SCforH concept.

Kickoff meeting of the project is being held in Rome on February 3–5, 2011.
