

COMPETITORS RELEASE FORM

Competitors Name:

Competitors Address:

With reference to my participation to the FISAF Sanctioned events: Open Competition for juniors and cadets in fitness and hip hop being conducted by FISAF Italy and Sangalli M&C s.r.l., in conjunction with Federation of International Sports Aerobics and Fitness (FISAF), I hereby agree, on behalf of myself as follows:

1. I hereby consent to the EVENT ORGANISER and FISAF photographing me and recording my voice and performance, and using my photograph, silhouette and other reproductions of my physical likeness and sound for marketing the GAMES and the GAMES in the years ahead in anyway.
2. I acknowledge that the taping, recording, filming and/or still photographs may be taken in connection with my program and by permitting myself to be photographed and/or recorded, said rights in the point 1. above are granted to EVENT ORGANISER and FISAF without any compensation or payment being made.
3. I agree that the EVENT ORGANISER's and FISAF's sponsors may use the footage of the GAMES, mentioned in the point 1. above, for any and all purpose of advertising, promotion, publicity and trade for the sponsors products during the GAMES.
4. From June 22th to June 25th, 2011 I agree not to participate as a competitor, teacher, organizer or presenter in any other events directly or indirectly related to the aerobic and fitness industry, without prior written consent from the EVENT ORGANISER or FISAF. In case I do not honour the clause herein, I agree to lose any prize and title deriving from the Championships.
5. I certify that I am physically fit and adequately trained to participate in these GAMES. I acknowledge that fitness aerobics and sports aerobics are activities that involve risks of injury. Further, I agree to examine the physical staging area of the GAMES for any possible defects (e.g. wet or oily surface cracks, etc.).
6. I certify that I have my own medical insurance for any injury that should happen during training and competition at the venue. The event organizer won't be responsible in any way and form for medical costs and public liability.
7. I have been acknowledged with the current FISAF Anti-Doping Policy and Technical Regulations including FISAF Policy and Anti-Doping Policy. For the purpose of this Policy a doping practice is: the taking of substances or use of methods prohibited by the World Anti Doping Agency. Those found to have engaged in a doping practice are liable to sanctions by FISAF. When drug testing is conducted at an FISAF sanctioned event, all teams must make themselves available for testing.
