# BULLETIN

## Hip Hop Committee

As already communicated in previous FISAF Bulletin and Newsletter the new Hip Hop Technical committee (HHTC) was created during WCS in Eindhoven 2010 with the aim of developing the hip hop culture within our organization.

Since October 2010 St'F & Musta (actual Chair Members) have had several meetings with dancers, coaches, event organizers and much more, and have also had comprehensive meetings during ECS in Torino 2011 and WCS 2011 in Australia with the result of focusing on several Hip Hop proposals.

These first actions will help FISAF change the present and explore and define the future of Hip Hop.

You can read much more about members, name, logo, age categories, new web pages and future in the **FISAF Newsletter Nr. 7-2011** that was published 6<sup>th</sup> of December 2011.

The Hip Hop Technical Committee is now constituted as follows:

## Age Category

The Hip Hop age requirements in FISAF have caused a lot of problems during the last years. It is so different of what other competitions have in their rules.

The above mentioned and the fact that many country members have lost members due to FISAF age category and the constant changes are why we have to change the age category and simplify it.

The following Age Category is valid from 1<sup>st</sup> January 2012:

- **Cadet: 7-13 years**
- **Junior: 12-17 years**
- **Adult: 18+ (2 dancers can be younger with minimum age of 16)**

A cadet can choose 2 years to dance with cadets or juniors. Also for the coaches they will have 2 years to change dancers if they want. Please note that the above age category applies for all crews, no matter if the team consists of 6, 7 or 8 dancers. The name Adult is chosen instead of Senior. So in future we should only use "adult" and not senior.
