Thank you

This Event had an outstanding atmosphere, full audience every day, very friendly people and despite of all problems especially with the transportation the Organisers handled the event well. On behalf of FISAF International and all FISAF members we wish to thank the organising committee, FISAF Russia's staff and the many volunteers for this experience.

After some days or a week we will update extranet with all the presentations from Dubna meetings.

Congratulations to the judging panels and especially the Head judges Tanya Houpt (New Zealand) and Sandy George (Australia) as well as Tine Ceusters (Belgium) for their professional work.
